Rural Entrepreneurship
Conference
Ball State University Alumni Center

This important one-day conference will showcase new venture opportunities emerging in the food and agriculture industries and discuss how you can research, plan and fund new businesses to serve one of the most innovative sectors of our global economy.

Brought to you by the Eastern Indiana Regional Workforce Board with support from the Indiana Department of Workforce Development as part of the Strategic Skills Initiative.

**Ball State University
Alumni Center
December 12, 2007
8:30—3:30 p.m.**

For more information please contact
EIRWB@StartUpIndiana.com

Registration begins November 2007
Look for additional information soon.

The program offers the opportunity to:

- Hear top venture capitalists
- Learn about new small business services
- Gain insight from innovative agriculture and food success stories
- Network with key investors, customers, rural entrepreneurs, and service providers
- Ask the experts
